

GDC TECH 2025

International Exhibition & Conference

Theme

Transforming Die Casting Through Innovation

The Orchid Hotel, Balewadi, Pune, India
4th, 5th and 6th December 2025 (Thu-Sat)

Time : 9.30am to 5.30pm

ORGANISED BY

GREAT DIECASTING TECHNOLOGY FORUM

Associate Association

APPEAL

Anil S. Kulkarni

President - GDCTECH FORUM

Chairman - POOJA CASTINGS PVT. LTD.

R. T. Kulkarni

Founder - GDCTECH FORUM

Rajesh R Aggarwal

Chairman - Tech. Paper Committee

Director - TECHSENSE ENGG. SERVICES

Dear Friends,

I am pleased to inform you that preparations for GDCTECH 2025 to be held at Pune in December 2025 are progressing at an encouraging pace. The theme of this year's international technical conference is "Transforming Die Casting Through Innovation." There will be many excellent presentations by industry experts, Panel discussions and a few project presentations from the GDCTECH Members that you can look forward to.

There is also the accompanying Mega Exhibition - showcasing Engineering, Materials and Manufacturing Technology where the aluminium casting industry and its supply chain will have large participation. You will witness the Best Casting Competition, Best Design Competition and an exciting and very lively Quiz Competition. I firmly believe this will be of great value to all participants.

With the growing opportunities in global and domestic businesses and the Make in India initiative, the industry finds itself on a high growth trajectory in the coming years. However, the right combination of technologies and strategic approaches are essential to ensure success in this dynamic environment and to reach international market. Attending the conference and exhibition this year will surely help the industry with the knowledge of the next generation tools in all areas for its continued success. So, on behalf of GDCTECH organising committee, I invite you all to participate in this MEGA EVENT in Dec 2025 in Pune.

I look forward to seeing you on the 4th, 5th and 6th December 2025, at The Orchid Hotel, Pune. Let us work together to make this a GRAND EVENT!

With Best Regards,

Rajesh R. Aggarwal

Chairman - Technical Paper Committee

ADVERTISEMENT TARIFF SOUVENIR/EXHIBITORS' CATALOGUE

A Souvenir/Exhibitors' Catalogue is being released on this occasion. Tariff for advertisement in the Souvenir/Exhibitors' Catalogue is as given below:

Position	Size (cm.)	Type	Rate (Rs.)
Front Cover	15.5 x 15	Multicolour	29,500.00
Back Cover	17 x 24	Multicolour	23,600.00
Front / Back Inside	17 x 24	Multicolour	11,800.00
Full Page Colour	17 x 24	Multicolour	8,850.00

Inclusive of GST

- Suitable formats like CorelDraw (Open file), PDF (for Press), JPEG or TIFF (high resolution)
- The size of the advertisement should not be more than 17cm (W) x 24cm (H)
- Last date for receiving the advertisement is **20 October 2025**
- Payment in favour of "Great Diecasting Technology Forum", payable at Pune.

SPONSORS

PROJECT COMPETITION

Award Sponsored by

Rajnarayan Bagla Award
for Best Innovative Project

In Today's Globalised and highly competitive environment "Keep improving" is the essential route to survival and success. Foundries will need enthusiastic, imaginative and systematic people to achieve the goal of 'continuous improvement'. Competition encourages people to further work in areas such as productivity improvement, cost reduction, energy saving and quality improvement, to name a few. GDCTECH FORUM believes that the project competition will help in developing good foundry people who will contribute significantly to the well-being of the companies.

Some of the Best Projects will be presented during the three days conference.

This award has been sponsored by **OMR BAGLA**.

BEST CASTING AWARD

Award Sponsored by

Sipra Engineers Pvt. Ltd.

GDCTECH has a motto to motivate the die casting industry to improve their systems and processes which lead to significant enhancement of performance parameters such as quality, cost, deliver and development. As a part of this motto BEST DIE CASTING AWARD OF THE YEAR has been instituted.

Visit Casting Display Pavilion in the Exhibition.

This award has been sponsored by **SIPRA ENGINEERS PVT. LTD.**

QUIZ COMPETITION

Award Sponsored by

Sigma Electric Manufacturing
Corporation Pvt. Ltd.

The Competition was meant for shop floor supervisors and will test their knowledge of basic foundry engineering and processes. So far throughout the year we have conducted the Quiz Competitions in Ahmedabad, Chennai, Coimbatore, Delhi & Pune.

The Winning teams in these competitions will participate in the final round to be held during the Annual conference on GDCTECH 2025.

This award has been sponsored by **SIGMA ELECTRIC MANUFACTURING CORPORATION PVT. LTD.**

BEST DESIGN COMPETITION

Award Sponsored by

VULCAN TECHNOLOGIES PVT. LTD.

The Casting Design Competing will be held in the month of October for Design Engineers. Awards will be announced for the best two entries in each category.

This award has been sponsored by **VULKAN TECHNOLOGIES PVT. LTD.**

Open House Discussion & Networking Opportunity

5th DEC 2025

CEO MEET

We are pleased to announce that we will be hosting an exclusive "by invitation only" CEO meet on the 4th Dec, 2025 evening. The get-together will be followed by cocktails & dinner.

We will bring together leaders from our industry in a wonderful setting, where we can meet, mingle & network. We hope that our CEO friends will walk away after the event, having formed new associations & friendships.

The event will commence with address from an

accomplished keynote speaker from the industry, who will share his rich experiences & learnings. We hope that this will be of great interest to all and will be most informative to our guests.

Our aim is that our CEO leaders use all the knowledge and contacts developed during this CEO meet and the entire Mega Event Conference & Exhibition to be inspired to reach new heights in their business. GDC Tech will always be available to support these growth efforts.

INDUSTRY VISIT

Name of the Company: **M/s Uno Minda Limited**

Date: **3rd December 2025 (Wednesday)**

Description of Foundry

The company is engaged in Manufacturing of Two Wheeler Aluminium Alloy Wheels using Gravity Die Casting Process

Specials:

1. Robotic Automation,
2. Implementation of Smart Manufacturing (I-4.0) practices like Condition Based Manufacturing, Digital Inspection Module, Digital Check Sheets

Charges : INR 1500/Person
